## Help Friends of Upland Animal Shelter continue to save the lives of Upland's animals!

So many good things have happened at the Upland Animal Shelter since Friends took over in 2016:

- Our no-kill philosophy led to over 5,653 animals saved so far – adopted, returned to owners, or transferred to other shelters and rescues – since Friends began operating Upland Animal Shelter on behalf of the City
- There are **NO** costs to the City of Upland – the community gets **FREE** animal care and adoption services from us
- Adoptions have increased and Friends has maintained low-cost adoption fees for all animals
- People of all ages are enjoying more volunteer opportunities at the shelter
- Shelter staffing has increased and shelter hours have been expanded
- Dog behavioral modification and training programs have been added
- A trap, neuter/spay, and return (TNR) program for community cats has been launched to reduce pet overpopulation

**Now the City is considering changing providers. Friends contract ends in July.**

We've been helping out at, and then operating, Upland Animal Shelter since 2010. We need your support now!

**Tell the City Council you want your local, Upland-based Friends to run the shelter!**

Get more information and sign the petition at the address below. Thank you for your support!
