Be A Friend of Upland Animal Shelter

...Because There's No Place Like Home

What We Do

Friends operates the Upland Animal Shelter and works in partnership with the City of Upland's Animal Control Division to care for the community's lost and abandoned animals.

We offer:

- ◆ Low-cost adoptions;
- ◆ Quality medical care for shelter animals;
- ◆ Training for new pet owners;
- ◆ Educational programs;
- ◆ Free micro-chipping to Upland residents;
- ◆ And so much more.

Why We Need Your Help

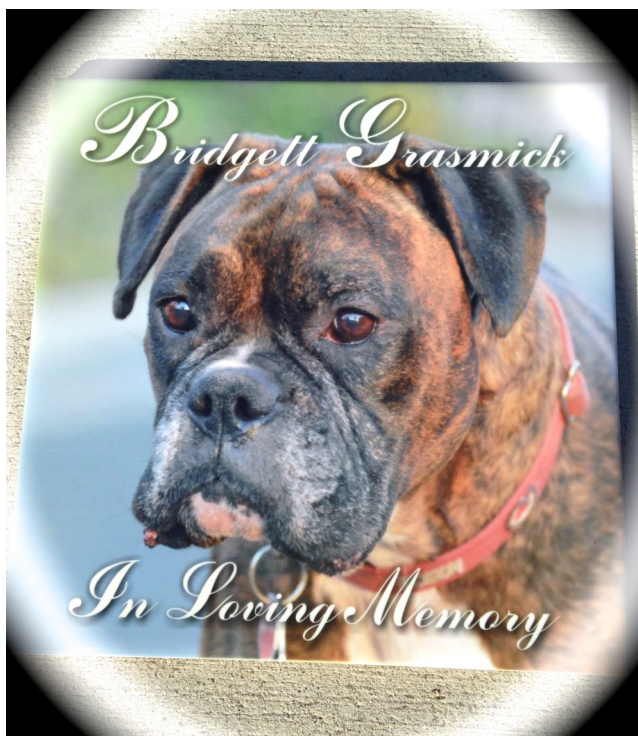

Established in 2011, *Friends* is a tax-exempt, non-profit organization [501(c)(3)] that does not receive funding from the City of Upland.

We believe in the dignity of every life, and that every adoptable animal should receive the care and patience that is necessary to find a loving home.

Giving every adoptable animal a second chance is only possible with the support of caring people like you.
